Congratulations to our future Olympiad champions who took part in the First Round of the National High School Olympiad 2025!

Proverto, organiser of the National High School Olympiad in partnership with The University of Johannesburg, Department of Finance and Investment Management, School of Management, College of Business and Economics would like to extend our heartfelt gratitude to all educators and learners for their participation in Round One of the National Olympiads.

More than 10 000 olympiad exam papers were carefully marked, with results distributed to all participating high schools.

Learners who achieved 67% or higher per subject, Accounting, Business Studies, Economics and 50% or higher overall in the UJ FIMO Olympiad, will advance to the final round on July 30.

Educators will be notified via email with further instructions for Round Two which is also the final round for Grade 10 11 and 12 learners.

The second round, scheduled for July 30, will follow the same format as the first round, with the exception of an online option.

All Grade 9 learners will participate in both their first and final round on July 30.
Note that all learners are required to write the paper-based exam option for the finals.

Good luck to all learners in the Olympiad finals!

2025 Olympiad dates:

Second/Final Round: 30 July (Grade 10 11 12)

First and Final Round: 30 July (Grade 9)
