First Round: 13 May | Second Round: 29 July

Olympiad Information:

Proverto has organised National Olympiads since 2011 with great success.

As an organiser we envisage to improve the Olympiads by implementing suggestions and recommendations from educators through surveys and interviews.

Proverto has realised the need for syllabus based Olympiads and introduced The Proverto National High School Olympiad in 2019. A total of 9 Olympiad Exam Papers were compiled in both English and Afrikaans. The 2019 syllabus based olympiad was a huge success. Visit the Proverto Website for more information and free downloads.

Proverto combined 3 subjects/olympiads into ONE national Olympiad covering subjects for grades 10 -12. The 3-in-1 Olympiad consists of the following 3 subjects:

1. Accounting - Rekeningkunde, Gr 10 -12
2. Business Studies - Besigheidstudies Gr 10 – 12
3. Economics - Ekonomie Gr 10 -12

There will be ONE Exam Paper per grade. The paper consists of 3 separate Sections per subject for learners to choose: Accounting, Business Studies and/or Economics. (it is not compulsory to write all 3 subjects)

- Winners will be selected per subject per grade.

Dates & Olympiad Entry Fees:

- Early bird closing date: 28 February at R100 per learner
- Final closing date: 9 April at R150 per learner

There is no limit to the total number of entries, however the minimum number of entries per school is 5 learners.

Exam Papers, Dates, & Delivery:

1. The Olympiad will consist of two rounds and all three subjects will be written on the same day.
2. A scope of work will be emailed to the educator. Information for preparation will be available on the Proverto website: www.proverto.co.za
3. Both Rounds of the Olympiad will be written on the school premises.
4. Round one will be written on 13 May 2020 from 14h00 – 16h00
5. Round two (final round) will be written on 29 July 2020 from 14h00 – 16h00
6. Proverto will notify all learners who have qualified to participate in the second round.
7. A Code of Conduct form and attendance register form must be completed and signed by teachers/ facilitators for both rounds.
8. Delivery for 10 learners or more both rounds: Proverto makes use of Couriers to deliver the exam papers and answer sheets to the school's reception.
Educators collect the papers from reception before the Olympiad is written, after completion of the Olympiad exam, educators will be given further instructions as to the collection of papers closer to the time.
9. Delivery for 10 learners or less both rounds: If you have less than 10 learners, the exam papers and answer sheet will be emailed to you in PDF format to print 2 days before the exam. You can then scan and email the answer sheets back to us.
(This is due to the problems we experienced with various couriers and parcels that got lost or misplaced)

First Round: 13 May | Second Round: 29 July

Educators & Communication:

All educators, HOD's, Principals or Olympiad organisers at schools may participate to enter their class or classes for Gr 10 -12 in three subjects: Accounting, Business Studies and Economics.

Prizes:

The Olympiad was a huge success and a total amount of R 300 000 in prizes for schools, educators and winners in 2019

There will be great prizes and bursaries awarded to the winners as well as cash prizes and promotional gifts from Proverto & sponsors! We have also added Trophies & medals for the winning schools and learners. More details will be available closer to the final round.

The second and final round will determine the overall winners of the Olympiad. Winners will be selected in each subject, Accounting, Business Studies and Economics per grade.

Certificates:

1. All participating schools, learners, educators and facilitators will receive an electronic certificate for participation when completing the first round of the Olympiad.
2. All learners who qualify to write the second and final round will receive a unique electronic certificate for proceeding to the second and final round of the Olympiad.

Organiser Contact Details:

Proverto will communicate directly with the educator during the year. Please ensure that you include your correct cell phone number and email address on the entry form to receive regular updates and notifications about the Olympiad.
